

Ready-To-Use Furniture Polish

PRODUCT DESCRIPTION

AD-H14 is a rich blend of silicone and oil emulsions creating a white advanced furniture polish that delivers high gloss finish. AD-H14 furniture polish provides fast and easy maintenance of wood and laminated hard surfaces such as furniture and doors. AD-H14 furniture polish delivers deep polishing and leaves a long lasting gloss that repels dust and protects against water spills. Fills in nicks and scratches to leave furniture looking like new. AD-H14 Cleans, shines and protects in one step.

KEY PROPERTIES & BENEFITS

EASY TO USE: spray on and wipe off action for optimum gloss.

DELIVERS LONG LASTING LUSTER: AD-H14 is formulated using premium polishing agents to deliver a long lasting luster.

ENHANCED PROTECTION: AD-H14 will fill nicks and scratches that repels dusts and protects against water spills.

COLOUR AND ALPHANUMERIC coded to prevent human application errors and to facilitate effective training guidelines.

INTENDED USE

Use with confidence on wood, arboreta, Formica, metallic surfaces. Also on vinyl, plastic, fiberglass, leatherette and chrome surfaces in schools, institutional buildings, hospitals, hotels & restaurants.

PRODUCT APPLICATION

1. Shake gently before using.
2. Spray a small quantity onto a clean, soft cloth and apply evenly.
3. Polish immediately to a rich gloss with a soft cloth.
4. No hard rubbing required. Versatile and economical.

Caution:

Shake bottle well before use.

Only for use on sealed wood.

Do not use on glass or matt surfaces.

Do not use on floors or stairs (danger of slipping).

Test material compatibility in a small, hidden place before use.
